INTERACTIVE MOVIE

On **Thursday, October 26th** we will be hosting an interactive movie! Which Halloween movie are we going to watch? It's anyone's guess. This program is in collaboration with the upper grades of the children's section and for teens (4th gr and UP). Party starts at 3:30PM.

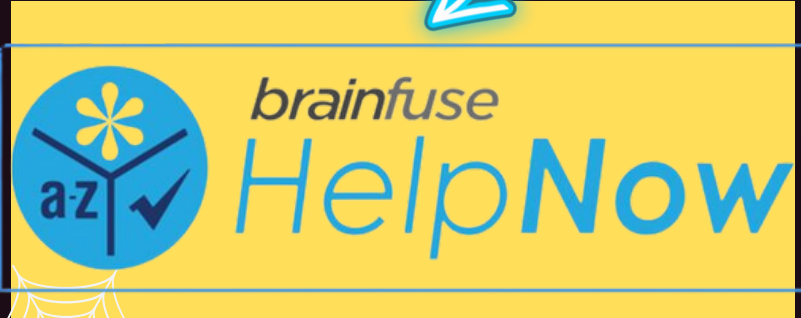

BIG STRUGGLING?

WE CAN HELP!

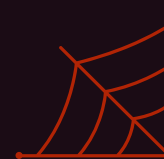

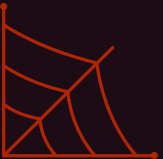

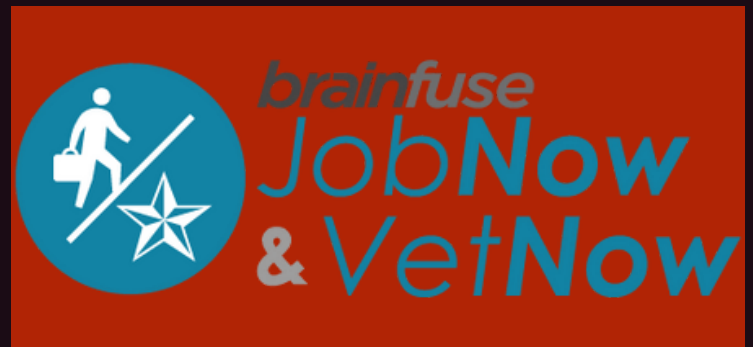

FAX, NO PRINTER.

Brainfuse Help Now is made for students (high school and college) and adult learners! Brainfuse is staffed by qualified teachers and professionals who have obtained their masters! Get help with any subject and even talk to a live tutor!

Brainfuse's writing lab allows you to upload your paper and receive feedback and advice. Don't want live help? That's fine! Click on a subject and lesson you need help in and practice your skills until you master them!

Brainfuse Job Now & Vet Now can help people just like you who want to go straight into the job force after high school! Know a struggling Vet? Brainfuse has you covered there too. Connect with resources available to you no matter your situation!
